

# Examination Form Notice

(Extension of deadline)

All the students should note that the University has extended the date for filling the online examination forms on its website till 25 June 2020. The students who have already filled the exam forms need not fill the form again. After filling the examination forms online, the students must intimate their examination form number and send the softcopy of the examination form to the college only by email compulsorily so that the college can do the registration of the inward number to it. Then the students can make online payment on the University website. The student need not come to college to submit the form.

In case the students need any help, they can contact the college on the landline no. 020 24221002 between 9 am to 4 pm. The email id to send the exam form is [yelawpune@gmail.com](mailto:yelawpune@gmail.com).
